Hi Deb -

I think the best program lead for this FOIA is ECEJ. Scott and Mark are the enforcement specialist and attorney, respectively, for this site. This request is from one PRP at the CFAC site requesting documents submitted from another PRP at this site in response to a 104(e) information request made to both PRPs. ECEJ sent the information request and received the submittals. I'd suggest ECEJ will be most knowledgeable in regard to responding to this FOIA.

Scott, Mark – do you agree?

Hi Rob – thanks for the quick call back. I have attached the actual letter request from FOIAonline so you know exactly what they are asking for. If I need to have this foia redirected to you or EPR, please let me know and I will have Alan reassign it. Thanks.

Deb
